

SCOTTISH FUNDRAISING STANDARDS PANEL

The Scottish Fundraising Standards Panel were established to oversee self-regulation of fundraising in Scotland. They are also responsible for fundraising standards in Scotland and to handle fundraising complaints related to Scottish registered charities, a list of which can be found on the OSCR website

Code of Fundraising Practice

The Code of Fundraising Practice and its associated *Rulebooks for Street and Door Fundraising* outlines the standards expected of all charitable fundraising organisations across the UK. The first copy of the Code was published over 20 years ago and since then it has been developed by the fundraising community, through the work of the Institute of Fundraising (IoF) and Public Fundraising Association (PFRA). <https://www.fundraisingregulator.org.uk/code-offundraising-practice/code-of-fundraising-practice-v1-4-310717-docx/>
